

5th  
Grade  
Summer Work  
Packet

Hello 5th Grade Families,

Happy Summer! Inside this packet, you will find the required Summer Enrichment Materials. We have created a comprehensive summer packet that includes: Reading, Math, Science, and Social Studies. All of the materials have been designed to follow along with the novel, *One Crazy Summer*, by Rita Williams-Garcia. The book can be purchased at most bookstores or online. A benefit of owning a copy is that you can annotate and highlight in the book. We have provided alternative access to the novel: the QR code attached will bring up a digital version of the book. There is also a Google Classroom account created with the digital version of the book.

When returning for the next school year, the teachers will collect the summer packets and use them as an informal assessment and a launch pad for our first few weeks of teaching.

Take time to look at the whole Summer Enrichment Packet and make a plan of how and when to complete each of the assignments. We have enclosed a printed calendar for your family to keep track.

Take Care and Enjoy!

**Directions:** The Gaither Sisters are traveling from Brooklyn,

New York, to Oakland, California, to visit their mother. The Sisters have a budget of **\$3,000.00- \$5,000.00** that was given to them from their father. With this money, the girls will need to:

- Purchase round-trip transportation to California
- Dinner for the month (30 dinner meals)
- Transportation around the city for 2 weekend trips
- Purchase 2 souvenirs for each of them.

## You will need to:

- Purchase transportation for the 3 girls' round-trip tickets, either plane or train. Please add the additional cost for 1 suitcase of luggage each.
- The girls will only need to purchase groceries or meals for dinner; they will need 30 meals with snacks. The date range is June 1st- June 30.
- The girls will need to catch the bus to different locations for sightseeing. Ex: Disneyland , Golden State Bridge .
- Each girl can purchase 2 souvenirs each.
- You will need to create a budget log for all of the money the girls will spend during their trip to Oakland, California.

## Budget for Meals
