LLA will not lose access to Acadience if LLA shifts goal; plan to track this goal closely to see if same focus next year is necessary</li> <li>2. Should the council have a dual reading and math goal for next year? <ul style="list-style-type: none"> <li>- Mrs. Macchia said the school has had great success in reading proficiency since adopting CKLA four years ago, so from the school prospective the Land Trust money invested in that curriculum has benefited our students' growth in literacy.</li> <li>- The council agreed the funds would be well invested in CKLA for another year with the goal of improving reading proficiency.</li> </ul> </li> <li>3. How can we address the need to grow our higher performing students? <ul style="list-style-type: none"> <li>- Mrs. Macchia shared that the school will be using Accelerated Reader next year as a reading incentive program. The school hopes this will inspire our students to read more during their free time, which is the best way to improve reading abilities.</li> </ul> </li> <li>4. The chair proposed that we maintain the same goal for 2025-2026 school year. A motion was made to accept the goal for the 2025-2026 school year as "all students in grades K-6 will increase in reading</li> </ol>

	proficiency by 2% from BOY to EOY as measured by Acadience Reading Assessment.
5:05pm	Determine next meeting -We need more parents to attend. The network of parents at LLA is broad and we need as many parent voices as possible.

## Council Signature Form

Leadership Learning Academy 2024/2025

School Community Councils and Charter Trust Land Councils have been established to:

- Involve parents in decision-making at the school level
- Improve the education of students
- Prudently expend School LAND Trust Program money for student improvement between parents, school employees, and the local school board
- Increase public awareness of the school trust lands and funds (53G-7-1202)

One way to ensure that parents have a voice in the School LAND Trust Process is through your council signature.

This form is an opportunity for you to indicate your involvement in the process of both implementing the Current School Plan and preparing the upcoming school plan. This is also an opportunity to share any feedback you have with your local board. Your local board will review this form when the School Plan is approved.

Please print your name, sign, and indicate your involvement in implementing the Current School LAND Trust Plan and preparing the upcoming School LAND Trust Plan, indicate your position (parent, school employee, principal), and the date.
