Payette School District Parents/Guardians,

Federal law requires that each school district receiving Title I funds notify parents of each student attending any school receiving these funds that information regarding these funds and information regarding the professional qualifications of their child's classroom teacher(s) may be requested.

As a parent of a student attending a district where all schools are receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?

To request the state qualifications for your child's teacher or instructional aide, or if you would like more information about this school, please contact your school's principal or Marci Holcomb at 208-642-9366.

Sincerely,

Marci Holcomb
