

Lakeview Academy is required to follow rules pertaining to kindergarten enrollment found in:

53G-7-203 (Effective 05/07/25). Kindergartens -- Establishment -- Funding -- Assessment.

Specifically,

(6)In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the state board shall make rules to:

- (a)beginning with the 2024-2025 school year, require a student to be toilet trained before being enrolled in kindergarten;
- (b)establish requirements for an LEA's kindergarten enrollment process to include assurances from a parent that the parent's student is toilet trained; and
- (c)create exemptions from the requirement in Subsection (6)(a) for a student who is not able to be toilet trained before kindergarten because of a condition described in an IEP or Section 504 accommodation plan.

Agreeing to these rules is a requirement for enrolling in kindergarten. By signing this document, you acknowledge the requirements and agree to not allow your student to attend school if your student is not ready. Students who are found to not be in compliance with this rule will be unenrolled from Lakeview Academy following a review process from administration regarding each claim.
