

Effective Educator Standards Policy

Adopted: August 26, 2021

Revised: December 17, 2025

Purpose

Wallace Stegner Academy (the “School”) believes that each of its students should have the opportunity to learn from an effective educator. The School tries to recruit, prepare, and retain effective educators as a way in which to boost the academic success of its students. The purpose of this policy is to help ensure that the School’s licensed educators meet the Utah Effective Educator Standards applicable to them as set forth in Utah Administrative Code Rule R277-530.

Policy

Application of Effective Educator Standards

The Effective Educator Standards in Utah Administrative Code Rule R277-530 are comprised of three separate sets of standards: Effective Teaching Standards, Educational Leadership Standards, and Educational School Counselor Standards. The Effective Educator Standards apply to licensed educators at the School as follows:

- (a) Administrators are responsible for meeting the Effective Teaching Standards and demonstrating the traits, skills, and work functions in the Educational Leadership Standards;
- (b) Counselors are responsible for meeting the Effective Teaching Standards and Educational Leadership Standards and demonstrating the traits, skills, and work functions in the Educational School Counselor Standards; and
- (c) Teachers are responsible for demonstrating the skills and work functions in the Effective Teaching Standards.

Implementation of the Effective Educator Standards

The School shall, under the direction of the Chief Executive Officer(s), help its licensed educators meet the applicable Effective Educator Standards by using the Effective Educator Standards as a basis when doing the following:

- (a) Developing professional learning experiences and professional learning plans for educators’ relicensing;
- (b) Establishing a collaborative professional culture in order to facilitate student learning;
- (c) Adopting formative and summative educator assessment systems; and
- (d) Implementing induction and mentoring activities for beginning teachers and administrators.

The Chief Executive Officer(s) shall determine the manner in which the activities described above are conducted and the frequency in which they occur.

Charter School Administrators

The School understands that under Utah law a charter school administrator is not required to be licensed. In the event a School administrator is not licensed, he or she is still expected to work towards meeting the Effective Teaching Standards and demonstrating the traits, skills, and work functions in the Educational Leadership Standards.
