

MONTHLY DIRECTORS REPORT

1. Please list activities and programs completed this month that support:

a) Language Arts and Mathematics Ends Policy

End of Year 2026 data for RISE will not be available until Fall. Acadience data is included with my report and will be shared during future Board retreat or board meeting. This data will help us set goals for each student during the new year. Students did very well this year and we are excited to share the growth we are seeing. Teachers attribute much of the success with more consistent progress monitoring and small group instruction lesson plans. We were acknowledged by USBE for meeting all requirements for progress monitoring this year because we had all teachers in K-3 doing these as expected.

b) Science, Arts, and Technology Ends policy

Each grade completed all of their activities related to these goal areas. Students had a great year living the charter at Lakeview.

c) Parent Satisfaction Ends Policy

2026-2027 – Room to enroll in grades 2, 4, 5,7

Grade:	K	1	2	3	4	5	6	7	8	9	Total
	130	130	129	135	133	135	112	139	111	102	1256

2. Please provide information and updates from the following departments:

- a) **Business/finance/IT** – All reports are being completed on time.
- b) **Special Education, Business reports, Accreditation** –Our school has our Accreditation review this next school year. Our team has begun meeting with the Review team and will have our review in October/November.
- c) **Staff updates** – We have all teachers and elementary specialty positions hired for next year. Instructional aides are mostly full with only a few open spots remaining.

Toot our Horn!

- 1. We ROAR all students who worked hard to grow this year. We are able to measure many areas of growth, but also recognize the areas we can't measure. We saw and celebrated with them as they achieved these moments.

2. ROAR Teachers and Aides for a tremendous school year! Lakeview is a special school because of the work these great people do every day for students.
3. ROAR to Administration and our Board. This year had additional challenges to address, and each was met with strength and successes.
4. ROAR to construction team as we continue to push forward and work hard to have the project completed. With so many moving parts it is difficult to thank all involved but a big ROAR to the all those involved.
