

Parent-School Compact

First Adopted: January 20, 2016

Updated: November 1, 2018 | February 27, 2020 | August 5, 2026

At Wallace Stegner Academy, we believe students thrive when families, educators, and school leaders work together. This compact outlines how each of us, parents, students, teachers, and administrators will partner to support student success.

Families

As a parent/guardian, I want my child to grow and succeed. I will:

- Spend time reading with my child every night (at least 30 minutes).
- Make sure my child comes to school regularly and on time (at least 98% of the time).
- Attend conferences and keep in touch with my child's teacher to stay updated on progress.
- Support school expectations, including positive behavior and the dress code.
- Encourage my child to have a positive attitude about learning and school.
- Check grades and progress in the Student Information System.
- Stay connected by reading and responding to emails, notes, or phone calls.
- Drive carefully and follow drop-off and pick-up procedures to help keep everyone safe.

Students

As a student, I know my education is important for my future. I will:

- Be at school on time and attend regularly (at least 98% of the time).
- Complete my assignments and homework.
- Bring the supplies and work I need each day.
- Always try my best and keep a positive attitude.
- Be kind, respectful, and cooperative with classmates, teachers, and staff.
- Take responsibility for my choices and actions.
- Help create a safe, respectful place to learn by avoiding bullying, distractions, and disruptions.
- Follow school rules, including the dress code.

Teachers

As a teacher, I believe every student can learn and achieve. I will:

- Hold high expectations and encourage every student to reach their potential.

- Provide engaging lessons in a safe, supportive classroom.
- Give homework that helps students practice and apply what they are learning.
- Communicate regularly with students and families through conferences, emails, phone calls, and other tools.
- Welcome parents to be involved in meaningful ways at school.
- Use student progress and assessment data to guide my instruction.
- Continue learning and improving my teaching strategies to best serve my students.
- Serve as a positive ambassador for Wallace Stegner Academy by supporting the school's mission, maintaining professionalism, and contributing to a respectful and collaborative work environment.

Administrators

As administrators, we will support students, families, and staff by:

- Creating a positive, safe, and fair school environment for all students.
- Encouraging teachers to share information about school programs and resources with families.
- Promoting meaningful family engagement and building strong school-home partnerships.
- Offering parents opportunities for training, resources, and involvement in decisions that support student learning and success.

Together, we can make sure every student has the support, encouragement, and opportunities they need to succeed!
