

Poder Academy's Periodical

October 2026

Principal's Note

Poder Families, please note our half day this Friday, October 9th for parent teacher conferences. I encourage you all to attend a conference, as being on the same page helps your student reach their full potential. I am also asking for donations for our fall festival! Anything helps.

School Highlights

- This Friday is a half day. Dismissal is at 12:30.
- Our Fall Festival is coming up! Please reach out to the principal if you are able to donate.
- Research shows that missing 10 percent of the school year for any reason negatively affects a student's academic performance.

Teacher's Notes

- Please note that **only Poder hoodies** may be worn inside the building. Any other sweaters or jackets violate our uniform policy.
- Please ensure your student has a water bottle (and that only water is allowed in their water bottles)
- If you need a Friday Food Bag please let the front office know! There are no forms necessary.

Reminders

- Dismissal is at **12:30pm** for Friday's half day.
- You may purchase a hoodie at the front office. We encourage putting your students name **on the inside** of the hoodie in case it becomes lost.
- ID's are **required** to visit the school.
